51 say — be fore you leave — me to — day —

Close the door
 Throw the key
 Don't wanna be reminded
 Don't wanna be seen
 Don't wanna be without you
 My judgement is clouded
 Like tonight's sky

Undecided
 Voice is numb
 Try to scream out my lungs
 But it makes this harder
 And the tears stream down my face
 If we could only have this life for one more day
 If we could only turn back time

[Chorus]
 You know I'll be
 Your life, your voice your reason to be
 My love, my heart
 Is breathing for this
 Moment in time
 I'll find the words to say
 Before you leave me today
